

ALPHABETICAL INDEX TO VOLUME 128

THE NATIONAL PROVISIONER

COVERING ALL ISSUES FROM JANUARY 3 TO JUNE 27, 1953, INCLUSIVE

This index lists alphabetically principal articles and items which have appeared during the past six months. Market and statistical information appearing regularly, but not indexed, includes the following: Livestock Market Receipts and Prices, Packers' Livestock Purchases, Slaughter Reports, Weekly Hog Cut-Out Tests, Provision and Lard Market Reviews, United States, AMI and Chicago Cold Storage Stocks Reports, Tallow and Grease Market Reviews, Rendering Material and Fertilizer Markets, By-Product Charts and Prices, Vegetable Oil Market Reviews and Charts, Hide and Skin Market Reviews and Charts and current news of the various fields covered. Important ruling and actions of the Meat Inspection Division, Interstate

Commerce Commission, Federal Trade Commission and other government agencies are indexed.

Included as a regular feature of each weekly issue, but not indexed, is the USDA estimate on federally inspected meat production.

Proceedings of the annual conventions of the NIMPA and WSMPA are also indexed.

Departmental or other features appearing at regular intervals include Plant Operation and Maintenance, Rendering and By-Products, Meat Plant Refrigeration, Canned Meat Processing, Merchandising Methods, New Equipment and Supplies, Motor Transport and Up and Down the Meat Trail.

A

Abattoir Nacional, S. A.: The Type of Plant That Should Be Built, p. 17, Mar. 14.
Additives: Chemical Additives to Foods to Be Added, p. 18, Feb. 7; New Proposal on Food Additives, p. 25, Feb. 14; Chemical Softeners in Bread Banned, p. 11, Apr. 11; Bill Would Provide Chemical Safety of Additives, p. 7, May 2; FDA Will Ban on Certain Bread Softeners, p. 17, May 23; IFT Meeting to Discuss Chemical Additives at June Meeting, p. 28, May 23.
